TESTIMONIALS

“very responsive to emails”

Our wedding was absolutely perfect! The food was great, and Amber made everything go smoothly. I would definitely plan another event here. They made our special day so memorable, and Amber kept the night moving and was very responsive to emails leading up to the wedding day. I would definitely recommend Peabody Opera House to anyone looking for a gorgeous wedding venue, with great food and help!

“a dream come true”

I had to worry about nothing, it was a dream come true! The level of service that the staff provided to myself and my guests was unmatched.

“a St. Louis treasure”

Peabody Opera House is a St. Louis treasure and Amber Daniels, their Special Events Manager, a true gem. From our initial meeting with Amber, she made us feel as if we were her only clients and was so responsive that she made wedding planning from out of state a breeze. What an extraordinary venue!

“like having a personal assistant”

The staff at Peabody were extraordinary. Stephanie, in particular, did everything she could to make a dream wedding come true. It was like having a personal assistant on the night of the wedding.

“fantastic in pictures”

The building is simply gorgeous and our guests could not stop commenting on the architecture, especially Peabody Lounge. It looks fantastic in pictures, sophisticated and classic. But the best part is the employees. Amber and her team were a dream to work with from beginning to end! They went above and beyond every step of the way.

“best wedding food”

The service was outstanding, the venue was beautiful, and the food was the best wedding food we’d ever had! Our guests couldn’t stop talking about how great Peabody is!

“accommodated many special requests”

The food, alcohol, our signature drink, etc. were wonderful. We are still receiving compliments from guests concerning both the food and the service. Peabody also accommodated many special requests we had (Champagne before the ceremony, and wanting to come in and play with our tablescaping to get everything just right, for example.) Don’t be scared to ask – if they can price it, they will do it! I would highly recommend the Peabody if you want a stress-free wedding. I feel like the hard work they put in made it so that we could simply show up and enjoy our wedding!

“Art Deco”

If you love Art Deco buildings, Peabody Opera House is a great venue. I chose Peabody because of its beauty and history and because of the ease of planning provided by the venue. They have an event coordinator, in-house caterer, and all the little things such as chairs and linens are taken care of through the venue. Plus, since it is such a beautiful venue, I did no decorating, except for simple centerpieces and candles. As an out of town bride, this was extremely important to me.
